June 19, 2012

Participants

Kim Bellemere, KNRC
Larry Erickson, CHSR, Chem. Engg.,
Lee Skabelund, Landscape Architecture and Regional Planning
Jeremy Walker, KSU Libraries

Review of the Agenda

- There were no changes in the agenda.

Sustainable Brownfields Program (TAB)

- There have been several planning meetings, and there will be a presentation at the Dialog on Sustainability.

Dialog on Sustainability (DOS) for 2012

- The Dialog will be on Saturday, July 21, in the K-State Engineering complex building at K-State. For details please see <http://www.engg.ksu.edu/CHSR/sustainability>.

Eco-literacy Book Club

- On Thursday, July 12, there will be meetings at 1:30 p.m., in Ward 102 and at 7:00 p.m. at the Beta Sigma Psi Fraternity, 1200 Centennial Ave. to discuss the book Climate Change and Global Energy Security by Marilyn Brown and Benjamin Sovacool.

Sustainability Seminar

- Ruth Douglas Miller will be the next speaker on the topic "Electrification of Transportation." The meetings are on Fridays at 8:30 a.m. in Rathbone 1052.

Solar-Powered Charge Stations Project

- Work is continuing on this project with the REU student team meeting at 4:00 p.m. on Thursdays, in Durland 1004. The student team is working on the design.

Movies on the Grass

- Jeremy Walker provided information on the movies for this August and September. Those present voted to provide \$250.00 to support the movies for this fall.

Sustainability Conference

- Sept. 6, 2012. There was no new information related to this conference.

Kansas Natural Resource Council Conference on November 10, 2012

- The Kansas Natural Resource Council and the Kansas Interfaith Power and Light have selected Saturday, November 10 for a conference to encourage networking and collaboration among environmental and sustainability organizations. The Center for Hazardous Substance Research will help with this conference as well. The tentative plan is to hold this conference at K-State in the Durland/Rathbone/Fiedler Engineering building.

Climate Change Education Project

- An update on this project will be provided as part of the Dialog on Sustainability on July 21.

Next Meeting: Tuesday, July 24, at 3:30 p.m. in Ward 102.
