

Present:

Larry Erickson, ChE, KNRC
Jamie Hofling, CEP
Kay Johnson, PROSOCO

Cherilyn Mahoney, BAE student
Lee Skabelund, LA/RCP
Mark Walker, CHSR

1. Review of the agenda

There were no changes to the agenda.

2. Nissan Leaf plans for K-State promotion

Nissan Leaf would like to encourage sales of new cars by providing incentives.

3. Sustainable Brownfields (TAB)

- There is an ad for an open position at CHSR.
- Tribal initiative: The agreement related to the funding from EPA for the new tribal initiative is being developed.

4. Sustainable Communities and WEALTH Program

The WEALTH program is continuing with monthly meetings to review progress.

5. Solar Powered Charge Station Project

- The REU summer students will arrive on May 29.
- Request for CESAS funding for solar charger project: Those present approved \$600.00 for the project "Solar Powered Phone Charging Station" that Cherilyn Mahoney is working on.

6. Sustainability Seminars

CHE 670 will have seminars at 8:30 a.m. on Fridays in DUE 0096 starting June 2.

7. Ecoliteracy Book Club

- One new book is Sustainability Made Simple: Small Changes for Big Impact by Rosaly Byrd and Lauren DeMates, Roman and Littlefield, Lanham, Maryland (2017).
- Another is Pursuing Sustainability by Matson et al., Princeton University Press (2016).

8. Dialog on Sustainability on Saturday, July 22, 2017.

- The topic for the 2017 dialog is Climate Change and Health.
- Some who are helping with the WEALTH project will be speaking at the Dialog. For more information on the 2017 dialog look on the Internet site: <https://www.engg.ksu.edu/chsr/sustainability/dialogs/2017dos>

Those present were invited to look at the report "Impacts of Climate Change on Human Health" See <https://health2016.globalchange.gov/>

9. Sustainability Education

CHE 670 Sustainability Seminar will be offered this summer and this fall.

10. Next Meeting: Tuesday, June 27, 2017 at 3:30 p.m.

11. Other

Kay Johnson expressed support for continuation of the EPA Programs: 1. Energy Star, 2. Water Sense, and 3. Safer Choice. She would like to see the Energy Star program strengthened.
