K-State's 5th Annual Dialogue on Sustainability

Think, Pair, and Share!

Welcome, everyone, and thank you for joining us for today's dialogue. While we are waiting to get started, please take a few minutes and discuss these questions with the people sitting around you...

- 1) What is green about your job?**
- 2) Has your job become more green? Less green?**
- 3) What steps have you taken to make your job more green?**
