

# Community Visioning for Redevelopment

By

Kansas State University  
TOSC Program

May 4, 2004

# The Process

- Identify all the stakeholders
- Plan and advertise a community-wide visioning workshop/ meet with key groups during planning
- Take stakeholder input before/during/after the workshop
- Render 2 or 3 conceptual designs based on stakeholder input and technical feasibility
- Choose one design
- Document the process and results in a final report
  - to be used for redevelopment planning, fundraising, etc.

Note: report will not include engineering drawings or technical detail.

# More on the Process

- Getting to know each other
- Assess the community
- Define the problem
- Study the options
  - What type of open space use?
  - Other options??
- Refine preferred options

# Who are the Stakeholders?

- CCI CCG, Inc.
- EPA
- KDHE
- City of Olathe
- Other community members
- Boeing
- Property owner/manager

# Planning by KSU Staff

- Pre-workshop meetings
  - Need preliminary input from city, agencies
  - Identify key issues; technical limitations
- Obtain topographical maps and other key site information
- Visit the site and surrounding area with students who will do the drawings
- Help choose a date
- Assistance with advertising workshop

# Planning by CCI CCG, Inc

- Choose a date
- Arrange for meeting space
- Provide refreshments
- Approve the agenda
- Find volunteers
  - To welcome attendees
  - To assist with a children's event because children and youth are stakeholders, too
- Extend special invitations to key people you would like to attend

**John Garland Park  
Community Visioning Workshop  
October 19, 2002  
Faith Lutheran Church  
530 Quindaro, KCK  
9:00 a.m.— Noon**

# Advertising

Please join us in creating a vision for the redevelopment of John Garland Park, located at 5th and Cleveland. This is an interactive working session where residents give input on how the park could be developed as community resource. Participation by youth is encouraged; there will be activities designed for children aged 6 and up.

This event is free and open to everyone. Please help us in our planning efforts by calling 1-800-851-3113 to register for the event. If you need transportation, please call 1-800-851-3113 and let us know. Please call between 8 a.m.-5 p.m., weekdays. A continental breakfast will be provided.

**This event is sponsored by: The Oak Grove Neighborhood Association, Associated Youth Services, Kansas State University, and U.S. EPA Region 7.**

# The Report

- Response from Omaha community group

“WOW, do I feel important now with all this great material .... I received the color rendering and the booklet... I cannot say how much these displayable items mean to our group. Thank you so much... Next week I go to a summit in Wash DC on watersheds and am taking the booklet to show around and see about drumming up dollars for the park project.”
