Fiedler Hall Study Room 1086

Instructions for the use of the wall mounted television

To use the presentation computer

- Press the television power button located on the lower left hand side.
- Log into the desktop computer **F1086-01** using your eid and engineering password.
- **Note:** Please turn off the television when not in use by pressing the power button located on the lower left corner of the television.

To use a laptop

- Plug the provided **HMDI cable** into your laptop and properly secure.
- It may be necessary to tell your Windows laptop to direct signal to the television. Locate the  key on your laptop, hold it down and press the "**P**" key simultaneously. **Windows system display mode** will appear, and you will want to select "Duplicate".
- If you are using a Mac laptop you will need to connect the provided **HMDI cable**, click the upper left-hand Apple menu, select System Preferences, then Displays, and finally select "Detect Displays". Please locate your computer manual for the keyboard shortcut.
- The television should switch automatically to the newly connected laptop, but if it doesn't, press the button on the **HDMI Switch** to select between the computer monitor and the laptop.

HDMI Switch

- **Note:** Please turn off the television when not in use by pressing the power button located on the lower left corner of the television.
